

1. Laser-cut foam mattress consisting of 7 pieces with fabric cover stowed under the central benches (10cm x 195cm x 138cm (central axis) or 115cm (ends)).
2. Woodwork : poplar plywood assembled by gluing and squaring, covered with several layers of transparent matt varnish. Slits and tablets th. 10mm; bed / bench frame th. 15mm; interior wall covering th. 3mm.
 - 2a. Fixing for the partition curtain between driver compartment & rear space. Poplar plywood th. 10mm. integrated into the tablet.
 - 2b. Cable reel for solar charging & 220V external power supply. Poplar plywood th. 15mm.
 - 2c. Electric safe access. Poplar plywood th. 3mm on metal hinges maintained by magnetization.
 - 2d. Storage 20 x 68 x 85cm for table; chairs; solar panel. Poplar plywood th. 10mm.
 - 2e. Kitchen unit with cupboards and lower storage hatch. Poplar plywood th. 10mm.
 - 2f. 33/45rpm retractable vinyl record player integrated into the tablet. Hi-fi system with auxiliary input and fold-out radio antenna. Loudspeakers integrated into the walls.
 - 2g. Storage hatches and night shelves integrated into the bench. Poplar plywood th. 10mm.
 - 2h. Interior walls with shelf in poplar plywood th. 10mm suspended by cable. Fixings for objects in elastic thread. Wall cavity against the metal structure of the vehicle filled with recycled PET plastic fiber insulation (th. 10-50mm), covered with a vapor barrier membrane. Plywood cladding th. 10mm.
 - 2i. Access to rear sliding cabinets from inside the vehicle.
 - 2d. Storage drawers (20 x 28 x 60cm and 20 x 28 x 35cm) in poplar plywood th. 10mm.
 - 2k. Storage boxes for foam elements of the bed / bench & table.
3. Electrical system: 110 Ah 12V secondary battery; coupler-separator system; 3-position power switch; 220V charger / solar charge controller / motor alternator; 220V converter for laptops; various other 12V installations.
4. Adjustable solar panel 65 x 85cm; 6m flexible wiring and mc4 connectors.
5. Extendable, retractable and orientable on 3 axes table / drawing desk / lectern : bent galvanized steel tubes diam. 24mm and poplar plywood woodwork th. 10mm. System of metal hinges and bolted aluminum stability angles. Tube fixing and rotation system via Rose+Krieger metal assemblies and flanges.
6. Plumbing installation: 2 cans of 20L (clean water / dirty water); pressure switch and 12V pump; recovery sink and faucet.
7. Drawers with gas cookers: poplar plywood th. 10mm coated with aluminum sheets for protection and fireproofing; 2 remote gas stoves with flexible and connector; 2 gas cylinders 450g.
8. Volkswagen Transporter T5 2011
